

TURKEY DRESSING

The wild turkeys are getting very worried. Thanksgiving is just around the corner and they have heard that roast turkey is the featured food. They need a plan to keep from ending up on the dinner table!

Challenge: Create costumes to disguise your “flock of turkeys” (the team) and a clever scheme to help them avoid becoming part of the festive meal.

Time: Part One: You will have 10 minutes to make costumes for all the team members and develop a skit to explain the plan to escape an awful, although traditional, fate.

Part Two: You will have 2 minutes to display your costumes and perform your solution to the appraisers.

Materials: lots of newspaper and masking tape
scissors and markers (may not be included in the solution)

Scoring: up to 30 points for the creativity of the turkey costumes
up to 20 points for the creativity of the plan to avoid becoming dinner
up to 20 points for the creative use of materials
up to 20 points for positive teamwork
