

## “DON’T FORGET THIS!”

The mice are almost ready to go! They have their invitations and their vehicle, but they probably need some more supplies. What else should they pack to make their trip a success?

**Challenge:** Think carefully about what the mice need to take on their Road Trip. What five items might be very important as they travel around North America? Be creative! (Don’t worry, they already remembered the duct tape.)

**Time:** Part One: You will have 2 minutes to imagine five useful objects that will help the mice on their trip. Prepare to explain their significance to the appraisers.

Part Two: You will have 1 minute to present your solution to the appraisers.

**Materials:** a sheet of paper and a pencil (for planning your solution only)

**Scoring:** up to 10 points for the creativity of each item  
up to 25 points for the effectiveness of the presentation  
up to 25 points for positive team work
